

FACTS & FIGURES 2020

UNIVERSITY OF
TORONTO

Facts and Figures is prepared annually by the Office of Institutional Research & Data Governance.

Facts and Figures provides answers to some of the most frequently asked questions about the University. It is designed and organized to serve as a useful and reliable source of reference information from year to year.

The reader of **Facts and Figures** should take care when attempting to use the enclosed information comparatively. While some definitions are common to other universities, many others are not. Our office maintains some comparative databases and has access to others. Please contact us for assistance when using Facts and Figures comparatively.

Each year we try to improve **Facts and Figures** to make it as useful as possible. We are always grateful for suggestions for improvement.

Facts and Figures, and other official publications of the University can also be accessed on the internet at <https://www.utoronto.ca/about-u-of-t/reports-and-accountability>
